

for LTA Accredited Taximeter Calibration Agencies

The Land Transport Authority (LTA) is seeking submissions from reputable and suitable service providers to express their interest in becoming an LTA Accredited Taximeter Calibration Agency in the Western, Central Eastern and Northern Region.

The LTA Accredited Taximeter Calibration Agency will be responsible for overseeing the installation and calibration of taximeters so that regulated taxi fare is charged. The calibrating technician will work for an LTA Accredited Taximeter Calibration Agency and conduct the taximeter repairing and/or adjusting.

1. The calibrating agency must submit the certified copies of the following:
 - i. Application letter
 - ii. Principal license
 - iii. Repairer license
 - iv. Taximeter calibration reference distance certificate
2. The calibrating technician must submit the following:
 - i. Application letter
 - ii. Nomination letter from the calibrating agency
 - iii. Repairer license

The manual submission must be clearly addressed to:

**Land Transport Authority
C/- Standards & Engineering Department
Lot 1 Daniva Road, Valelevu
Nasinu, Fiji**

Incomplete applications will not be considered.

For further enquiries please contact the Standards and Engineering Department on 3347138 or via email sne@lta.com.fj.

Mr. Irimaia Rokosawa
Acting Chief Executive Officer
