## EXTENSION OF PROVISIONAL APPROVAL PERIOD

As part of the Land Transport Authority's (Authority) assistance towards the business recovery of its valuable customers, the Authority is pleased to announce that it will be issuing an additional six (6) months extension to the Provisional Approval Period that were issued to the following categories of successful PSV Permit Applicants:

- Valid Provisional Approval Holders who could not meet or take advantage of the initial Provisional Approval Period Extension Policy from the qualification date of 21 March 2019 to 31 October 2022; and
- Valid Provisional Approval Holders who were issued with the basic 90-Days Provisional Approval Period from 01 November 2022 to 10 March 2023.

**The above categories of Provisional Approval Holders will be granted an additional six (6) months effective from 11 March to 11 September 2023 to complete all necessary processes to activate the operation of their PSV Permit(s).**

Failure to complete all necessary processes and activate the operation of their PSV Permit(s) by 11 September 2023, the Provisional Approval will be cancelled as per Regulation 12(5) and a cancellation notice shall be issued as per Regulation 12(4) of the Land Transport (Public Service Vehicles) Regulations 2000.

Should the expiry of the additional six (6) months Provisional Approval Period falls on a non-business day, the Provisional Approval shall expire on the next business day.

This Policy announcement is subject to future review and amendments as required.
