

PUBLIC NOTICE

EXTENSION OF PSV REVOCATION UTILIZATION PERIOD

As part of the Land Transport Authority's (Authority) assistance towards the business recovery of its valuable customers, the Authority is pleased to announce that it will be issuing an additional six (6) months extension to the Public Service Vehicle (PSV) Revocation Utilization Period that were issued to the following categories of **valid** PSV Permit Holders who had revoked their motor vehicle from their PSV Permit(s):

- Valid PSV Permit Holders who could not meet or take advantage of the initial PSV Revocation Utilization Period Extension Policy from the qualification date of 13 September 2019 to 31 October 2022; and
- Valid PSV Permit Holders who were issued with the basic 3-Months PSV Revocation Utilization Period from 01 November 2022 to 10 March 2023.

The above categories of PSV Permit Holders will be granted an additional six (6) months effective from 11 March to 11 September 2023 to complete all necessary processes to register a suitable motor vehicle back to their PSV Permit(s) and activate the operation of these PSV Permit(s).

If the above-mentioned PSV Permit Holder(s) fail to complete all necessary processes to register a suitable motor vehicle back to their PSV Permit(s) and is not able to activate the operation of these PSV Permit(s) by 11 September 2023, the PSV Permit(s) shall be declared void as per Regulation 10(5)(a) of the Land Transport (Public Service Vehicles) Regulations 2000, unless the Authority otherwise determines.

Should the expiry of the additional six (6) months PSV Revocation Utilization Period falls on a non-business day, the PSV Revocation Utilization Period shall expire on the next business day.

This Policy announcement is subject to future review and amendments as required.

For assistance and clarification on the above, you may contact the following Senior PSV Staffs:
